Tamar Valley National Landscape **An Area of Outstanding Natural Beauty Management Plan No.6** 2026 - 2031

Executive Summary

Our Vision

By 2055, Tamar Valley National Landscape has a strong sense of place and wellbeing, as a distinctive and internationally important landscape of high visual quality and a protected green and blue haven where communities and wildlife flourish. Nature and People are entirely connected in a living and working environment, enjoying clear air, clean water, wholesome food, tranquillity, good health and resilience to a changing climate and variable economy.

Tamar Valley National Landscape is a unique and vibrant destination of choice and high value.

> *A place to be. A place to breathe. A place to thrive.*

Our Purpose

To conserve and enhance the natural beauty of the Tamar Valley.

Our Strategy

- Champion a Nature-first approach throughout all activities, collaborations, delivery and partnerships.
- Inspire positive action to build resilience to a warming climate, clean and protect the landscape, decarbonise our communities and restore Nature.
- Secure investment and aim to deliver at pace and at scale to deliver bigger, better and more joined up spaces for Nature
- Strengthen our Partnership for improved coordination, evidence gathering and collaborative goal setting for Nature, Climate, Place and People.
